Truesec Group AB

With subsidiaries according to certification decision

Stockholm (HQ), Malmö, SE
Aarhus, Copenhagen, DK - Espoo, FI

Svensk Certifiering Norden AB certifies that the information security management system has been reviewed and complies with:

ISO/IEC 27001:2022

Details of scope and the range of the certificate
are defined in the certification decision.

The management system covers:

Truesec is an expert company that focuses on IT security, infrastructure, and secure development. During the years in which we have operated our business, we have succeeded in creating a team consisting of experts in their respective fields. Our passion for following, testing, and challenging the development of cybersecurity is the source of our motivation. Today, we engage in wide-ranging activities including critical assignments related to national security and infrastructure, lectures at large international conferences, research assignments and investigations, and assisting in cases of acute incidents.

According to statement of applicability version 7.0 dated 2024-12-11.

Michael Persaud, CEO
